Bay Skiers Plan 11th Annual Meet With Local Show

Veterans' Hall Again Will Be Scene For Annual Carnival

One of the first preludes to the 1960 Winter Olympics will be held at Squaw Valley on February 7-8, when the Bay Area Ski Federation holds its 11th annual championship race and winter carnival.

The US Olympic Commission has designated the race an official trial event to certify officials to be used in the '60 Olympics and the forth coming 1959 North American championships.

The BASF winter carnival and races, a 2-day affair, will be sponsored again this year by Branden Enterprises, a home construction firm of Hayward. The Braden Trophy will be presented to the winning ski team.

170 TO COMPETE

Axel Davidsen, race chairman Menlo Park, expects over 170 racers to compete for the coveted title of bay area ski champ.

"The Olympic Commission has granted us permission to use the official Giant Slalom Course which is located on mountain KT-22", Davidsen said. "Our racers, however, will only use the lower slopes," He added.

Beautiful Suzanne Berger, a Stanford Unniversity freshman and a member of the Mountain View Ski Team, will reign over the races and carnival as "1959 Snow Queen of the BASF."

The Sierra Club of San Francisco is the defending ski champ of the BASF. The Sierra Club team captured the BASF-Branden tropry during the 1958 meet at Squaw Valley.

TRUCKEE CARNIVAL

One of the social highlights of the carnival is the annual skit night which will be held in Truckee at the American Legion Hall on Saturday, February 7, 1959 at 8 p.m. Member clubs of the BASF exhibit their showmanship behind the footlights to the delight of townfolk of Truckee and the Lake Tahoe-Donner Summit region.

The BASF is composed of 21 ski clubs in the nine bay area counties and includes over 3000 skiing members. Dave Barr, of the Peninsula Ski Club San Mateo, is chairman of the BASF.

NEW DIRECTOR OF WELFARE IS NAMED

AUBURN—James E. Williams, a social work supervisor in Monterey County, has been named director of the Placer County Welfare Department to succeed A. J. Hailparn, whose resignation becomes effective December 31.

Supervisors also named Mrs. Lorraine Blake, a department employee, interim director between the departure of Hailparn and the arrival of Williams.

ROBERT EDWARDS HOSTS AT PARTY

Mr. and Mrs. Robert Edwards entertained in their home Tuesday evening between 5 and 7 o'clock.

Their guests at the pleasant affair included Mr. and Mrs. Frank Fox, Mr. and Mrs. Edward Androus and children, Leslie, Daryl, Darlene, Loretta and Mr. and Mrs. L. W. Stevenson, Miss Mary Zunino and Percy Samme.

SIX ARE INJURED IN ACCIDENT AT NORDEN

George Scott Runyan, Jr., Piedmont, and five passengers in a rented car he was driving were injured Friday evening when the vehicle skidded on the snow-covered road near Norden and plunged over the embankment. Runyan told officers of the California Highway Patrol that he was blinded by the lights of an oncoming truck. He was cited for speeding and not having chains in the chain-controlled area.

None was seriously hurt.

DATES IN DECEMBER

Ending 1958 with birth dates, Dave Rose celebrated on Tuesday, Terry Ellis was feted at the home of her parents, Mr. and Mrs. Jack Ellis last Saturday. Douglas Nelson celebrated on the day after Christmas with his parents, Dr. and Mrs. L. D. Nelson.

Many Jobs Will Be Open For Games At Squaw Valley

It is anticipated that there will be 1600 employees working in various capacities by the time the VIII Olympic Winter Games officially get under way at Squaw Valley on February 18, 1960.

In preparation for this, the state held two meetings, one at Truckee employment department recently and the other at Kings Beach, to determine the available labor supply. Less than 60 applied at both meetings, the department reported.

Both the California and Nevada employment services are cooperating with the Olympic officials in procuring adequate help for staging the games.

The Organizing Committee has named Robert Seach former general manager of Badger Pass, as personnel director. Seach will alternate his time between an office in Reno and the Olympic headquarters at 333 Market Street, San Francisco, interviewing applicants for the various jobs. He said many people are taking leaves of absence from permanent positions to fill in during the time of the games.

Frank Rector Dies Following Attack

Word from Woodland this week told of the death of Frank Rector, 66, veteran telegrapher for the Southern Pacific and former Truckee resident, who died from an apparent heart attack Sunday night.

Rector and his wife, Mary, had been visiting friends in Sacramento when he was stricken. He was treated and later his wife was driving him home when he expired.

A native of West Virgina, he began his career with the SP in Truckee, and moved to Woodland in 1933.

In addition to his wife he is survived by his daughters, Mrs. Jewell Wahl and Mrs. Ruth Collier, both of Sacramento; a son, Donald F., serving with the Army in Germany; a sister, Mrs. Mary Woodside of Pasadena, and a brother, Clyde of Los Angeles.

He was a member of the Truckee Masonic Lodge and the Ben Ali Temple of the Shrine.

THREE BIRTHDATES FETED IN FAMILY

Three birthday anniversaries in one family are being celebrated within the week at the home of Mr. and Mrs. Ray Hintz.

Their son, Charles is celebrating to-day, with the coming in of 1959. Daughter Evelyn is looking forward to Saturday when her birthday occurs and Mrs. Hintz will observe January 6, her natal date.

CHRISTIAN SCIENCE LECTURE ON SUNDAY

A free public lecture entitled Christian Science: The Science of Pure Christianity will be given Sunday afternoon, January 4, in the First Church of Christ, Scientist at Reno, Nevada.

The lecturer is Florence Middaugh, C. S. B. of Los Angeles, California. The public is cordially invited to attend and the nursery will be open.

RITCHIES, BROWNS MEET IN SOUTHLAND

Mr. and Mrs. Jim Ritchie and Mr. and Mrs. Earl Brown of Truckee met recently in Mobile, Alabama where they watched the shrimp boats come in and ate their fill at Dauphin Island.

Both local couples planned extended trips of places of interest throughout the south, including North Carolina, Texas, New Orleans and Florida before returning here.

Former Local Man Victim Of Auto Crash In Nevada

Telephone Employe's Car Plunges Off Highway East of Sparks

Funeral services were held Saturday afternoon in Reno for William R. Williams, 27, a former Truckee resident, now residing in Reno who was killed in an automobile accident two miles east of Sparks, Nevada on Christmas Day. Roy Rhoades of Truckee officiated at the last rites. Interment was in the Mountain View cemetery.

Williams was an employee of the Bell Telephone Company. Investigating officers said Williams died when his car failed to make a turn in the highway. The auto went out of control on the sharp left turn, ran along the shoulder 100 feet then rolled over eseveral times down an embankment, hitting a large boulder.

The victim was thrown from the car and his body was found 25 feet in front of the vehicle against a bank.

Williams leaves his wife, Mrs. Elizabeth Williams of Reno; his parents Mr. and Mrs. J. J. Williams, formerly of Truckee, now living at Suisun and a brother, Robert of Truckee.

Detour Abandoned As 40 Again Open

The division of highways announced Monday that they planned to place traffic on the eastern end of the Boca to Floriston section of freeway on Highway U. S. 40 on Wednesday. Two lanes of the new freeway have been temporarily surfaced to carry traffic during the winter months. The section is approximately a mile and a half long.

Motorists have been detoured around this section on a specially constructed detour since work began early this year. Highway officials say the action follows the schedule established for the work on this section of roadway. It was planned to use the detour during one construction season to facilitate construction on the freeway. However, these officials said, the contractor may request permission of the division of highways to use the detour again next summer to speed his construction operations.

Work on the seven and one half million dollar freeway project east of Truckee is being done by a joint venture combine of Isbell Construction Company of Reno, Granite Construction Company of Watsonville, and Gordon H. Ball and Gordon H. Ball, Inc., of Danville. The project is presently approximately 65 percent completed and is expected to be in full use by next fall.

AT DONNER LAKE

Mr. and Mrs. Bert F. Johnson and sons, Norman and Bruce, are up for the holiday season at their cabin at Donner Lake. Guests of the Johnsons are Mrs. Fred Berick and daughter, Judi; Miss Paula Hansen, Mr. and Mrs. Millard Wallace and daughters,, Shirley, Linda and Christine. Mrs. Martha Staley arrived last night to spend the remainder of the holiday season with the Johnsons and Mr. and Mrs. James R. Johnson of San Rafael are also guests.

Kearney Writes—

Frank Kearney, pioneer resident of Truckee, now living at Rocklin wrote his annual letter concerning politics and other subjects of interest, including the fact that he has 23 grandchildren and nine great grandchildren living within easy traveling distance. Kearney sent his greetings to local friends.

SUNBEAMS

By WALTER M. BARRETT

The Truckee-Lake Tahoe area got by the long Christmas weekend without a highway fatality and without an arrest for drunk driving. Only one major accident, that was caused by icy pavement, was reported. While this does not set a record, it does show what can be accomplished by care on the part of the motorists and vigilance by the officers. Now comes another weekend of hazards which is expected to overshadow the Christmas period. Once again motorists are being warned to exercise extreme caution. There will be lots of cars on the roads and with the holiday spirit prevailing, everyone is being urged by the highway patrol to heed every law, and particularly the one dealing with drunk driving. All local officers will be on duty and will make frequent checks of vehicles and drivers.

We at the Sierra Sun extend to you and yours our best wishes for a prosperous, peaceful and healthful New Year.

DEMOCRATS TO NAME CANDIDATE AT MEET

A democratic endorsing convention to select a party nominee for state senator from the 7th senatorial district, is set for January 10, in the Veterans Memorial Hall in Grass Valley.

Sponsored by the Democratic Central Committee of Placer, Nevada and Sierra Counties, the call to convention will bring together an estimated two hundred and fifty to three hundred voters of the 7th senatorial district.

Delegates to the convention will select the party nominee who will receive official central committee, club and council support.

Congressman-elect Harold T. Johnson, who expects to resign from the state senate after the first of the year, will be a delegate and will be asked to appoint three delegates from each county.

Paul J. Lunardi, assemblyman-elect, will be invited to attend the convention and also to appoint three delegates from Placer and three from Nevada County.

Assembly-woman Pauline Davis, who represents Sierra County, among others in Second Assembly District, will also receive an invitation and will be asked to appoint three delegates from Sierra County.

GRANDAUGHTER OF LOCAL COUPLE WEDS

Mr. and Mrs. Frank Gaiennie returned from San Francisco where they attended the East-West football game while visiting his mother, Mrs. S. Browne and Mr. and Mrs. Ray Sites, their son-in-law and daughter at Albany.

The local couple also visited Mr. and Mrs. Ray Gutierrez also of Albany. Mrs. Gutierrez is the former Mavon Sites, granddaughter of the Gaiennies who was married on December 13.

Another note of interest in the local family is the fact that their grandson, Billy Gaiennie, an appointee in the U. S. Merchant Marine academy, spent Christmas in Africa while on sea duty. He is the son of Mr. and Mrs. Daryl Gaiennie

MARRIAGE LICENSE

Donald Myrick, 29, and Betty Myrick, 27, both of Truckee were issued A Reno, Nevada marriage licence last week.

Airport Survey To Be Made Here By Bay Area People

Local Chairman Appeals To State Agency For Aid To Port

The firm of Wilsey and Ham Engineers and Planners, Millbrae, has been retained to make an engineering survey for the new Tahoe-Truckee airport which will provide complete facilities for major commercial and charter aircraft serving the 1960 Winter Olympic Games.

The airport is being constructed by a joint district organization comprising Placer and Nevada counties. Although the project will be rushed to completion in order to accommodate the Olympic Games participants and visitors, it is expected to fill a continuing need of the two counties for modern airport facilities in the fast growing recreational area of the high Sierras.

Lee E. Ham, president of the engineering and planning firm, said the Tahoe-Truckee project will be under the direction of Norman. B. Hansen, airport specialist who has handled other major air facilities including the proposed new Marin County airport and the expansion at San Francisco International airport for United Air Lines and the U. S. Coast Guard to accommodate jet aircraft.

Survey and design work being done by Wilsey and Ham is required by the California Aeronautics Commission which coordinates all airport development within the state.

Chairman of the Two-county, Tahoe-Truckee air port district is Zeph D. Rose of Truckee.

In presenting the case to the state interim committee on aviation for favorable consideration recently, Rose pointed up some of the advantages of the local airport. The presentation was made in an effort to secure state assistance in developing the project.

"An airport to make the North Tahoe, Squaw Valley and Truckee areas of the Sierra accessible by plane to the air-minded of California, has long been needed," Rose declared. "Now with the eyes of the nation and the world on the area for the staging of the 1960 Winter Olympics, the importance of an airport here is multiplied."

The district was formed here in May, 1958 and comprises an assessed valuation of more than $23 million.

RAINBOW GIRLS TO HAVE FUN EVENING

A dinner, dance and other entertainment are being arranged for January 3 by Hope Assembly of Rainbow for Girls in the Methodist Community Church at Kings Beach.

A small sum will be charged for couples and single persons and parents as well as teen agers are asked to join in the evening's program.

Lydia Craig is worthy advisor of the group.

NEVADA GOVERNOR OFFERS GAMES AID

CARSON CITY—Governor Elect Grant Sawyer indicated that fullest cooperation of the State of Nevada in staging the 1960 Winter Olympic Games at Squaw Valley, will continue after the change in administration January 5th.

Sawyer issued a lengthy statement following a conference with E. J. Questa of Reno, chairman of the Nevada Olympic Commission, which obviously was designed to quiet the furor over how a $200,000 contribution to the game should be spent.

Skating To Feature Tryouts At Site Of '60 Winter Games

Winter sports aficianados traveling to Squaw Valley to witness the 1959 North American Ski Championships, February 21-March 3, are in for an exciting array of ice skating competitions too. Included in the eleven days of topflight snow competitions are four speed skating events. The International Skating Union has been requested to approve these events as the world's speed-skating championships.

These events will be staged on the Olympic 400-meter oval at Squaw Valley and will consist of 500, 1.500, 5,000 and 10,000 meter races.

America's best speed skaters will face a team of 20 selected European skaters.

Another ice surface will be available for use this coming winter with the completion of the west rink adjacent to the 11,000 seat ice arena. This rink will be made available to residents of the Squaw Valley-Lake Tahoe area for use in recreational skating, figure skating and hockey.

A unique event is scheduled for the west rink in March, 1959, when an authentic "Bonspiel" will be held. A "Bonspiel" consists of a series of curling matches.

Registration Office Open On Saturday

Richard Paddock, office manager of the local department of motor vehicles announced this week that during the five Saturdays in January, during registration of vehicles, that the office will be open from 8 until noon.

This service is in addition to the regular hours each day, Monday through Friday.

Starting immediately the Truckee office, located with the California Highway Patrol, one mile west of here, will be operated on a full-time schedule instead of the two days a week as inthe past.

All services of the department, including issuance of drivers licenses and registration matters, will be handled locally.

DRAKULICH EARNS INSURANCE HONOR

Stanley J. Drakulich, who has compiled an outstanding service record with Monarch Lfie Insurance Co., is going to Miami Beach Florida, early next month for the company's biennial conference. Sessions will be held Jan. 7-11 at the American Hotel.

Only the leaders among Monarch's general agents, agency supervisors and field underwriters are entitled to attend this conference, where important aspects of the health and accident insurance and life insurance business will be discussed.

Drakulich, a member of the Monarch Presidents' Club, has been associated with the company's Sacramento agency since June, 1958. His home is in Truckee.

CASE IS FREED AFTER HEARING IN COURT

NEVADA CITY—Judge Vernon Stoll found Joseph James Case, 37, of Truckee, not guilty of burglary after a trial in Nevada County Superior Court.

Case was charged with instructing a juvenile in burglarizing a house trailer belonging to William Mullins in the Truckee area. Mullins was to appear at state witness but an address mixup prevented his appearance, District Attorney Harold Berliner said.

Judge Stoll ruled that Case was not proven guilty of the crime charged beyond all reasonable doubt. The defendant is now serving a six-month term in the county jail for possession of stolen goods.

More Sunshine In Area After Snow Provides Skiing

Snow Fall Far Behind '57 But Ample Falls To Assure Skiing

The weather man relented at resort people and skiers were ju the last minute and the area experienced a white Christmas after all.

There were only five or six inches here, but considerably more fell in the higher elevations and bilant. Skid chains were required over Donner as far down as Emigrant Gap.

The storm broke a long unseasonal dry spell.

Roy Saarni. Truckee district ranger for the U. S. Forest Service, reported four inches of snow on the ground today compared to 16 inches on this date last year. The total December precipitation for this year was 1.28 inches compared to 7.20 for December, 1957. Eleven inches of snow fell during last month and 40 inches fell a year ago in December, Saarni said.

Temperatures, too, have been above average. The thermometer last month never dropped below 11 while the high recorded was 65 degrees. In December, 1956, a low of six below was registered and the high for the month was 65.

The cumulative precipitation for this season—September 1 through December 31, is 3.58 inches or 4.68 below normal for this date which is 8.26.

Last year the cumulative precipitation was 11.84 inches or 3.58 inches over average for the same date.

Clear cold weather followed the storm and predictions are for continued clear weather for a few days at least.

Motorists Injured In Freak Accident

A freak accident at the Flycasters curve, four miles east of here, marked the only reportable accident during the Christmas weekend on the local highways, sergeant Frank Snyder of the California Highway Patrol reported.

At 6:02 p.m. Thursday night, a car driven by Mario F. Bacigolupi of San Francisco skidded on an icy spot and the driver lost control. A second vehicle operated by Cyril M. Menovik of Sacramento was struck but no one was hurt.

Twenty minutes later, a third car driven by Darrel R. Hooper of San Leandro sped by the signal flares set out to warn drivers while the Bacigolupi and Menovik cars were being removed from the highway, and crashed into the wrecked vehicles.

Barbara L. Mathis, 35, of Sacramento and Olyne Bacigolupi, 34, both passengers in the Bacigolupi car, and Zelda E. Hooper, 47, and Darrell Hooper, 55, were taken to the Tahoe Forest hospital with injuries.

Hooper and Bacigulopi were each cited by the highway patrol.

Sergeant Snyder said there were few arrests, none for drunk driving, during the holiday weekend.

EL-TA-HO Shrine Installs Officers

The El-Ta-Ho annual Christmas party and installation of officers for 1959 took place at Crystal Bay Club last month. Participants were from left to right: Bill McNeill, potentate of Kerak Temple; J. D. Anderson, the El-Ta-Ho Club president; Ray Plunkett and Governor Charles Russell of Nevada.

NEW OFFICERS FOR SHRINE CLUB ARE INSTALLED AT LAKE

KINGS BEACH—The annual El-Ta-Ho Christmas party and installation of new officers was held recently at Crystal Bay Club.

One hundred and thirty Shriners, their ladies and Masonic guests were present to see President Ray Plunkett relieved of his duties and Andy Anderson installed as the new president. Governor Charles Russell of Nevada for the sixth consecutive year was the master of ceremonies. Potentate Bill McNeill was on hand to help with the gift presentation.

McNeill is potentate of Kerak Temple. Chief Rabban Walter Sutton was the installing officer. New officers seated beside Anderson were Harry Hooper, vice president; Sam Faulkner, secretary; Paul Dorman, treasurer; John Corbin and Al Adams, director.

Plunkett was commended by Governor Russell and McNeill for an outstanding job done during the past year.

Public Defender To Be Given Assistant In Placer

AUBURN—Public defender Dan Higgins of Placer County has been authorized by supervisors to appoint an assistant public defender, effect February 1, at a salary of $300 per month.

The action was taken on recommendation of Placer County Bar Association and County Executive John Bernard.

"Higgins needs the help," Bernard said. "He has saved the county considerable money in cases he has handled.

The bar association said the assistant is needed in the interest of "better administration of justice in the county at less cost."

The Public defender's office is permitted to engage in outside legal practice.

400 YOUGSTERS AT LAKE GREET SANTA

KINGS BEACH—A group of over 400 youngsters awaited the arrival of Santa Claus at the Brockway Golf Course under the lighted Christmas tree at 1 o'clock on Saturday, December 20.

The gifts and filled socks were provided by the following organizations who donated time and money for this project: Rotary Club of Brockway, Lake Tahoe Lions Club, North Tahoe Community Club, Kings Beach P. T. A., V. F. W. Post 7077, Carpenters Local 2035, and North Tahoe Women's Club.

A special vote of appreciation is to be given to the crystal Bay Club and Nevada Club for the financial assistance due to the increase in population in this area.

Genial Bill Bien was the Santa Claus for this occasion, arriving via fire truck with Bill Heise and Mike Brown helping Santa distribute the gifts.

Lake Mead on the Colorado River, the largest reservoir in the U. S., has a capaicty of 31,142,000 acre feet.

GIRL SCOUTS MAKE FAVORS FOR WEIMAR

KINGS BEACH—The Girl Scouts of Lone Troop No. 1 and the Brownies of Kings Beach worked for over a month as Santa's helpers making gifts for the children in the Weimar Chest Center.

Thirty-one tray mats in the Christmas motif and 54 Christmas cards were made by the Brownies. Thirty-one elf and sack puppets were made by the Girl Scouts and dis tributed before Christmas.

The V. F. W. Auxiliary of Post No. 7077, which sponsors the Scouts expressed appreciation for the girls who participated.

The Scouts and Brownies held their investiture ceremonies recently at the Kings Beach school During the candlelight ceremonies, badges and pins were awarded and following the investiture, refreshments were served.

MYF CAROLERS BUSY AT HOMES AT LAKE

KINGS BEACH—On December 23, the M. Y. F. of Kings Beach held a caroling party of teenagers of the area. They went to many of the homes in Kings Beach and sang carols and wished each home a very Merry Christmas and a Happy New Year.

After caroling they went back to the church and danced. The night was a big success. The M. Y. F. would like to thank everyone who helped make it a big success.

NORTH TAHOE

By JUDGE HARRY CHARRISON

WEATHER

Christmas eve turned out just as our winter visitors, children and ski resorts wanted—we had a light snow, not much over an inch. Christmas day was beautiful with the bright sun glittering on the trees and mountains. Today, Sunday, was another pretty day, the snow melting, but rather chilly. There were several boats on the Lake. Certainly is a lovely winter so far.

MARCH OF DIMES

Wiley Jones, community director for the March of Dimes in the North Tahoe area, announces that the drive will take place between January 2nd and January 31st. While polio research and patient aid continues, initial new targets will be: virus disease, arthritis, birth defects and central nervous systems disorders. Also, there will be a new multi-million dollar scholarship program. Jones said the National Foundation will offer annual health scholarships to help provide four years of college or university training in career preparation in the fields of nursing, physical therapy, occupational therapy, medical-social work and machine. There will be 505 of the health scholarships each year, the first of these before the end of the 1959 school year. Giving support to the 1959 drive is V. F. W. Post 7077 and it's auxiliary. Any member will be glad to furnish you with further information.

A great suggestion has been brought before us for next Christmas—that is— property owners on the Highway from Crystal Bay down to Tahoe Vista put up a Christmas tree with lots of lights glowing—making our Highway 28 a Christmas tree lane. If you have ever been to Pasadena and viewed the one they have it is a beautiful sight, where thousands drive down the long lane marvelling at the sight. Let's make our highway a picturesque sight for everyone. Those who are closed for the winter will be furnished with a tree by members of the community—Make it a community effort.

BIRTHDAY TRIO

New Year's Eve will be quite a celebration for three of our citizens when Jay Schontz, Carl Sorensen, and Harry Charrison celebrate their birthdays, and as usual they do it up in great style. Congratulations.

HOME FOR HOLIDAY

Joellyn Ashton came home for a week from Salt Lake City, where she is still nursing at the Holy Cross Hospital—her brother, Davey, arrived the day after Christmas just for a 72 hour leave from the Navy—making our holiday season a joyous one. Needless to say they always hate to leave the Lake and many friends.

TO WASHINGTON

Wilma and Byron Abbott went to Sumner Washington to spend Christmas with Diana and Lem. Of course to enjoy being with their grandchild for his first Christmas.

FROM PASADENA

The Wyman Williams family and friends will be up to spend New Year's at their home at Brockway.

OPENING ON 1ST

Jack Ross will open his famous 'Tradewinds'bar and restaurant on January 1st., 1959 serving Cantonese and American dishes. Sure is nice to see more opening up early.

MONTE CARLO

We hear that the Monte Carlo at Crystal Bay will be opening around the first of the year.

CHRISTMAS BIRTHDAY

Congratulations to Nina Sorensen whose birthday was Christmas day. She and Carl celebrated.

BACK FROM HONEYMOON

Noland Little and his bride the former Carol McCauley are back from their honeymoon and we all wish them many years of happiness.

TEN PER CENT DROP NOTED IN DEER KILL

A 10 percent drop in the 1958 statewide deer bag from the previous year was reported today by the Department of Fish and Game in its final tabulation of the season.

The drop—from 65,214 in 1957 to 58,669 in 1958—corresponded closely with the nine percent decline in the sale of deer tags. Tag sales were 389,680 at the end of November, 1957, compared to 354, 785 for the same period in 1958.

Hunter success (the total kill divided by the total deer tag sales) was almost identical to last year—15.2 percent, compared to 15.5 in 1957.

Weather played a key role in thedecline of the deer bag, the department said. The early season opened to unusually hot, dry weather, which contributed to a slower than normal opening weekend.. Temperatures remained high throughout the season and continued so into the late season. In Siskiyou County temperatures were reported in the 90's nearly every day in October and San Diego County suffered similar heat extreems, with like conditions prevailing throughout the state in varying degrees.

While hot weather tended to discourage hunters in the beginning of the early season, balmy weather kept many deer out of range at the conclusion of the late season. With few exceptions, migratory deer did not start migrating toward their winter ranges until after the close of the late season because of abundant feed on their summer ranges and mild weather.

Most of the bag decline occured in the late season.

Scribe Points Out Benefits Of Bay Span At Emerald

EDITOR'S NOTE: Support of the plan by the state division of highways to construct a bridge across the mouth of Emerald Bay to eliminate a dangerous and unsightly condition at one of the most beautiful spots in the country comes from many sources besides the local residents. In the following article, Henry Mac Arthur, editor of the Capitol News service, gives his views on the situation.

* * *

BY HENRY C. MacARTHUR

SACRAMENTO.-(CNS)—The California Highway Commission, which is made up for the most part of men whose integrity and concern for the well-being of the California motorist, is to be congratulated on its tacit approval for the construction of a bridge across the mouth of Emerald Bay, at Lake Tahoe, which will be a portion of and all-year highway around this vacation spot.

The bridge has been held up for several years, due to the concern of a group of moss-backs who think construction of such a structure would detract from the "the natural beauty" of the lake.

HALT PROGRESS

These include the state park commission and Newton B. Drury, chief of the state divisioin of beaches and parks. The commission and Drury have done everything possible to halt progress at the Lake, and have succeeded so far in keeping the state from building a modern road around it for the convenience of the traveling public, and the people who live in the area.

Residents of the Lake Tahoe area are hindered for a great part of the year from getting from one end of the lake to the other on the California side, by reason of the fact that the present high level Emerald Bay Road is either closed by snow or slides. Sitting on an earthquake fault, as it does. this continuous danger to the motorist not only in winter, but in summer

There was a great deal of "beefing" when it was decided a bridge should be constructed across the Golden Gate, on San Francisco Bay. Yet no one today would say that the natural beauty of the Gate has been marred by the presence of the existing structure, which rather has enhanced the view, standing also as a mark of man's progress against the barriers that hamper communication and transportation.

Such a situation would arise if the mouth of Emerald Bay were bridged. Highway engineers are intelligent enough to think out a structure that would fit in with the landscape and be a credit to man and nature alike.

MOSS-BACKS BEEF

Similar carping on the part of the moss-backs was heard when the state renovated the California Capitol Grounds. It was said at the time, the traditional beauty of the grounds would be destroyed by the plans made. Yet the plans were followed out, with a result that has greatly enhanced the beauty of the grounds.

Some people are highly resistant to change. And when these people get in high places, and are able to dictate against the will of the majority and the progressive who want convenient communication and transportation, it is time for a responsible body like the California Highway Commission to file the protests in the most convenient waste-basket available.

MANY BENEFITS

To people who own property at Tahoe, the construction of a low level road will be of immense benefit, for them personally, and also to the state highway fund. For if there is easy, year-round access to the vacation spot, the travel from points in the valley and bay area will increase, with resulting increasing in the amount of gas tax paid.

Far from "authorizing the desecration" of the beauty spot, as has been charged at least one antiquated publication, the highway commission has taken action which will eventually enhance the beauty of the place, and a the same time, provide for the convenience and well-being of the people served.

In Colorado—

Charles E. Smith who has been stationed at Ft. Ord has been transfered by the U. S. Army to Colorado Springs, Colorado. He has been joined there by Mrs. Smith.

With Family—

Officer Bud McCallen spent Christmas with his family at Roseville, returning to highway patrol duty Friday.

In Capital—

Mr. and Mrs. Daven Morey returned from Sacramento where they spent Christmas with relatives, young Daven and Ann spending most of the school vacation in the capital.

Home From Trip—

Mr. and Mrs. Tom Dolley have returned from their wedding trip and are establishing their home at Donner Lake.

ATTORNEY GENERAL MOVES TO CAPITOL

SACRAMENTO (CNS) — Attorney General-Elect Stanley Mosk has announced he will maintain his principal headquarters in Sacramento—a switch from the many years the main AG office has been in San Francisco.

Mosk, currently a Los Angeles superior court judge, said in a statement from Los Angeles that the law clearly requires the office of the attorney general to be in Sacramento and that the attorney general live in the capital.

Mosk's clear statement on the matter, on the surface at least, would indicate he had not approved of the residence of his predecessor and now fellow constitutional officer, Governor-Elect Edmund G. Brown. Brown maintained his office in San Francisco while attorney general.

Since being elected governor, however, Brown has admitted he thought the AG should have his main office in Sacramento and live here. He has said he would like Mosk to be in Sacramento as part of the "official afmily."

Mosk said substantial staff and and duties will be retained in both San Francisco and Los Angeles. The switch of headquarters to Sacramento will be held up finding location of suitable quarters. He said such were not available at present.
